

CO-OP/INTERNSHIP ASSISTANCE PROGRAM

Consider this...a **Tax Deductible** donation to assist a Co-op/Intern student with financial assistance for expenses during a Co-op/Intern semester. Your company can participate by making a donation to the Co-op/Internship Assistance Program. Your generosity could help to minimize a student's financial concern, therefore, allowing him/her to get the maximum out of the Co-op/Intern experience.

Why not help a Co-op/Intern student defray some expenses they'll incur when they go on a Co-op or Internship? Money could be used for gasoline to travel to the industry site, for professional clothes to wear at work, to help pay rent, or even to buy food.

The Program began Summer 2003 and will continue each summer semester, as long as funding is available. For Summer 2006, 3 students were awarded \$350 each. We are asking for company sponsorships in order to offer this opportunity to deserving students for Summer 2007.

Applicants must comply with University Co-op/Intern policy, meet Co-op/Intern eligibility requirements and be a full-time student enrolled in the current and past semester in order to submit an application packet. A resume, transcript, and an essay on, "What a Co-op Opportunity Will Mean to Me," are required documents.

A committee of Career Services staff members will select the winner(s). He/she will be awarded a Co-op/Internship Assistance Award for the summer, provided the applicant is selected by a company for a Summer 2007 Co-op/Internship and has completed a Co-op/Intern contract by April 26, 2007.

Your company will be featured in the Fall 2007 Expo Program, which will be distributed to students, local community participants, and aviation/aerospace recruiters attending the annual Industry/Career Expo. Embry-Riddle's Career Services website (www.erau.edu/career) will also feature your company's participation in the Co-op/Internship Assistance Program.

Thank you for your consideration to participate in this beneficial program. Please contact Sally Richards, Cooperative Education/Internship Program Manager at (386)226-6058 or by e-mail at Sally.Richards@erau.edu.
