2 QUESTIONS TO ASK
to know what to do if you’ve been exposed to Covid-19.

**Question 1**
Masked or Unmasked
Were you less than 6 feet apart from this person for 15 minutes or more recently?

- NO
- YES

**Question 2**
Have you recovered from Covid-19 within the past 3 months?
If you are currently ill with Covid-19, complete isolation according to Health Department’s recommendations.

- YES
- NO

**Business as usual!**
Continue to practice illness prevention:
- Wear a mask in public
- Stay 6 feet from others
- Wash your hands frequently
- Avoid touching your face with unwashed hands
- Disinfect frequently touched surfaces
- Stay home when sick

**You must quarantine for 10 days and watch for symptoms for 14 days.**

- Are you feeling ill?
  - YES
    - Get tested now.
  - NO
    - Continue your 10-day quarantine.

**Reducing quarantine**
Test 3-5 days after quarantine starts - if negative release on day 8, no test release day 11

**Step 1.** Mark the day you were in contact with COVID-19-positive person or completed international air travel.

**Step 2.** Count forward 10 days.

Get clearance from the Embry-Riddle health services team before returning to work or classes.
