Longitudinal Analysis Report

Embry-Riddle Aeronautical University - Worldwide Campus

Time Span 1: 8/1/2017 - 7/31/2018

Total Tests = 231

Outbound = 231

Time Span 2: 8/1/2018 - 7/31/2019

Total Tests = 224

Outbound = 224

Time Span 3: 8/1/2019 - 7/31/2020

Total Tests = 218

Outbound = 218

Time Span 4: 8/1/2020 - 7/31/2021

Total Tests = 225

Outbound = 225

Total n = 898 tests.

Academic Level: Masters

Aggregate: ACBSP (US) - Accreditation Council for Business Schools and Programs
Course

Outbound: MBAA 635 Business Capstone Course

Longitudinal Comparison: **Total**

Longitudinal Comparison: Total

Space Education (M)	*	*	*	*	*
Effective Placement Rate					
Employment Rate					
Continuing Education Rate					

Notes:

- () Number of Respondents
- The effective placement rate consists of the employment rate (working full-time, part-time, military) plus the continuing education rate (out of the work force due to continuing education).

* Too few respondents to report

** A significant change to the survey instructions was implemented beginning with the Class of 2017:

- Degree completion dates were piped into the survey, and respondents asked to provide their employment status exactly one year post-graduation. This change allows for more accurate calculation of one year placement and employment rates. Exercise caution when making cohort comparisons.

- A significant change to the University's rate calculations was implemented with the Class of 2017. Previously removed, alumni indicating "out of the workforce due to other reasons" are now included in all calculations and are labeled as "Not Seeking." This change aligns the University's placement and employment rates with the standards proposed by the National Association of Colleges and Employers (NACE). This new calculation will necessarily result in lower rates than the previous formula, but ERAU rates will be more comparable to those reported by institutions adhering to the NACE standards.
